87% of People Say Data Privacy Is a Human Right¹

Yet, websites expose and sell your private information every day. They may even reveal your children's names and where they go to school.

How It Works

- Receive alerts when websites are found
- Directly request removal of your private info²
- Monitoring continues to ensure websites comply

¹ IDJX survey. ² Removing your private information may take 1 to 45 days, depending on the website's responsiveness.

ScoreTracker

Easily Track & Understand All Your Credit Scores

ScoreTracker explains and grades your creditworthiness in four main categories, based on your updated credit reports. You also see what's helping your scores over time and what you need to fix.

How It Works

- **Credit Score:** Summarizes overall creditworthiness
- **Auto Score:** Shows creditworthiness for vehicle loans
- **Insurance Score:** Shows eligibility for insurance
- **Hiring Risk Index:** Based on info employers use in hiring decisions
